SUMNER, IOWA

APPLES

SUMMER VARIETIES

- Duchess—Hardy and an early bearer and good cooker.
Tetofsky—Extremely early, choice eater.
Liveland—The first to ripen and the best of the early apples.

FALL VARIETIES

- Anism—Deep red, mild and good.
Wealthy—Fine quality, good grower, red, very handsome, long keeper.
Longfield—Medium size, yellow with red blush, early bearer.
Pattens Greening—Very hardy. color green, best for cooking.
Famous (or Snow Apple)—Medium size, crimson, flesh snow white.

WINTER VARIETIES

- Northwestern Greening—Fruit large, greenish yellow, one of the longest keepers known.
Gano—Bright red on yellow ground (no stripes); like Ben Davis.
Grimes Golden—Fruit medium or above, russeted, flesh yellow.
Tolman Sweet—Medium size, pale yellow, excellent for preserving.
University—Large, clear yellow with small dots; flesh yellow.
McIntosh Red—A splendid apple of the famous type.
Malinda—Large, yellow and red. One of the most valuable of all.
Iowa Blush—Greenish-yellow with red blush, mild and very good.
York Imperial—Color mixed bright red on yellow ground.
Delicious—Medium to large. The most popular variety at present and the king of all apples, great keeper. "an all purpose apple."
Crab Apples—Whitney and Brier Sweet, both good.

PLUMS

COMPASS CHERRY PLUM AND HANSEN HYBRIDS

- Surprise—Large, red, clingstone; September. Good for all purposes.
Stoddard—The tree is a good stout grower, purplish red.
De Soto—Resembles Miner in color, but two weeks earlier.
Hawkeye—A large, yellowish red plum, annual bearer.
Compass—A cross between plum and cherry, ripens in August.
Opata, Sapa, Wachampa, Sansota, Cheresota. Also crossed with plum.
Hanska, Kaga, Inkpa, Toka. These are Apricot Plums, all very hardy.

CHERRIES

- Early Richmond—Everywhere the most popular (sour).
Large Montmorency—A fine, large, light red tree, an upright grower.

PEARS

- Kieffer and Flemish Beauty—These have proven best and all should try a few trees.

GRAPES

Worden—Very large black, sweeter, better, and a little earlier than Concord.

Brighton—Red, large, sweet and delicious.

Deleware—Small bunch, best in quality of all American grapes.

Niagara—White, large to very large, very satisfactory.

CURRANTS

LaVersaillaise, red; Long Bunch Holland, red; Cherry, red; Pomona, red; Fay, large red; Perfection, best, large red; Red Cross, red; President Wilder, red; London Market, red.

White Imperial, white; White Grape, white; Black Champion, black.

GOOSEBERRIES

Carrie, Josselyn, Pearl and Houghton.

RASPBERRIES

Cumberland, Older, Kansas, the best black Caps.

Crimson Beauty and Loudon, the best red varieties.

BLACKBERRIES

Ancient Briton—The only hardy variety, first-class, very large.

STRAWBERRIES

Just a word on strawberries. I have as large a list to choose from as you will find anywhere in the U. S., and as fine plants as grow true to name. Main home sorts for this vicinity Senator Dunlap, Pocomoke (perfect), Warfield (imperfect). These are early sorts. Brandywine and Sample, late variety; then we have the Progressive, Americus and Superb in the ever-bearing kinds. Our berry plants have proven to be all we claim for them for over 25 years.
